

### Other Presentations (since 1997)

1. "View from Nuclear Science Advisory Committee (NSAC)"  
Meeting of High Energy Advisory Panel (HEPAP), March 13, 1997.
2. "Long Range Plan in the U.S."  
Extended NuPECC Meeting, München/Garching, Germany, April 25-26, 1997
3. "The NSCL coupled cyclotron upgrade project"  
Colloqui, University Club, Michigan State University, May 6, 1997
4. "Long Rang Plan for Nuclear Science developed by the Nuclear Science Advisory Committee for the U.S. Department of Energy and the National Science Foundation"  
Presentation to the OECD Megascience Forum Working Group for Nuclear Physics, Vancouver, BC, Canada, May 26-27, 1997.
5. "Einige Grundgedanken der Quantenmechanik"  
Presentation to the Rotary Club Ludwigshafen/Rhein, Germany, September 22, 1997.
6. "Nuclear Science Advisory Committee"  
Meeting of High Energy Advisory Panel (HEPAP), August 24, 1998.
7. "Kernphysik in der Zukunft"  
6-th US-Symposium der Studienstiftung des Deutschen Volkes, held in Lansing, Michigan, October 9-11, 1998.
8. "Future of U.S. nuclear physics program"  
U.S. - Italy High Energy and Nuclear Physics Coordination Meeting, U.S. Department of Energy, Washington, D.C., October 19, 1998.
9. "Site dependent issues for RIA at MSU"  
NSAC Subcommittee for RIA Cost Review, Argonne National Laboratory, Argonne, Illinois, January 10, 2001.
10. "The NSCL at MSU"  
Presentation to the DOE/NSF Nuclear Science Advisory Committee, Rockville, Maryland, January 29, 2001.
11. "Status Report on the Michigan State University National Superconducting Cyclotron Laboratory"  
Presentation to the DOE/NSF Nuclear Science Advisory Committee, Rockville, Maryland, July 23-24, 2001.
12. "Research at the National Superconducting Cyclotron Laboratory at Michigan State University"  
Presentation to the Flint Rotary Club, Michigan, USA, October 12, 2001.
13. "Research at the National Superconducting Cyclotron Laboratory"  
Presentation to the Michigan State University Alumni Distinguished Scholars Reunion, Michigan State University, USA, April 12-14, 2002.

14. "Virtual Think Tanks: New Forms of Collaboration in the Scientific Community to Change and Direct Science Policy"  
Annual Convention of the Studienstiftung des Deutschen Volkes, "Think Tanks as Incubators for Change", sponsored by McKinsey & Company, Inc., held at Johns Hopkins University, School of Advanced International Studies, USA, April 19-21, 2002.
15. "Overview of the status of the RIA project"  
RIA Driver Workshop II, held at Argonne National Laboratory, USA, May 22-24, 2002.
16. "RIA and MSU"  
Presentation to Office of Science Director Ray Orbach, U.S. Department of Energy, Washington, DC, USA, June 17, 2002.
17. "Research and education at the National Superconducting Cyclotron Laboratory"  
Presentation to undergraduate students participating in the REU programs at the University of Notre Dame and Michigan State University, MSU, 2002
18. "RIA science case"  
Presentation to NSAC Facilities Subcommittee, New Brunswick, New Jersey, 15 February, 2003.
19. "Potential economic impact of the Rare Isotope Accelerator project on MSU and the Lansing region"  
Presentation to the Capitol Choice Partnership Briefing Luncheon, Henry Center for Executive Development, Michigan State University, February 18, 2003.
20. "RIA Science Capabilities"  
Briefing to Michigan Senate Economic Development, Small Business and Regulatory Committee, March 3, 2004.
21. "The Michigan Campaign for the Rare Isotope Accelerator"  
Featured presentation to MEET Michigan Spring '04 Tour, Faculty Development and Outreach & Engagement, Grand Rapids, Michigan, May 12, 2004
22. "MSU's Bid for the Rare Isotope Accelerator"  
Presentation to MSU Emeriti, University Club, Lansing, Michigan, May 18, 2004
23. Public comments from major facilities – "The National Superconducting Cyclotron Laboratory"  
Presentation to the Rare Isotope Science Assessment Committee of the National Academies, Washington, DC, December 16, 2005.
24. "Recent Highlights at NSCL"  
Presentation to the DOE/NSF Nuclear Science Advisory Committee (NSAC) at its Meeting in Rockville, Maryland, March 3, 2006.
25. Two Views on "The Elements of RIA: Options for Staging or Descoping" – "The View from MSU"  
Presentation to the Rare Isotope Science Assessment Committee of the National Academies, Washington, DC, March 12, 2006.

26. "Leadership in the Promotion of Research in an Academic Unit, A Case Study"  
College of Human Medicine Chairperson Collaboration and Leadership Meeting,  
MSU Campus, October 10, 2006.
27. "Overview of ISF concept"  
Presentation to NSAC RIB Task Force, Chicago, Illinois, December 6-8, 2006.
28. "NSCL – Science, Technology, and Future Perspectives"  
Chemical Engineering & Material Science Fourth Annual Research Forum, held in  
Lansing, Michigan, April 5-6, 2007.
29. "From heavy ion collisions to rare isotope beams"  
Symposium on the occasion of Rudolf Bock's birthday, May 30, 2007, GSI,  
Darmstadt, Germany.
30. "Science and Technology of a Next-Generation Rare Isotope Facility in the U.S."  
Special invited talk at the 2007 US Particle Accelerator School, held at Lansing,  
Michigan, June 4-15, 2007.
31. "NSCL – Ongoing Activities and Future Perspectives"  
Presentation to The Lynceans, San Diego, November 28, 2007.
32. "Welcome and News from NSCL"  
Symposium on Careers of NSCL Alumni, held at Michigan State University, East  
Lansing, June 7, 2008.
